Stepping Up & Starting Off Right

The Eta Alpha Theta chapter of Phi Beta Lambda has stepped up to the challenge of leadership, education, and service this academic year starting with Recruitment Week. PBL gained a total of 8 pledges for the fall pledge class. The pledges have stepped up pledge class event for this semester with a board game night.

Chapter Stepping Up

As a chapter, PBL has been stepping up to the challenge of leadership, education, and service by fundraising at local eateries, educating pledges and other members of Truman's campus about leadership, cooperation, and networking while also servicing Kirksville by volunteering at Twin Pines, Bacon Fest, and cleaning up our adopted street.
